If you answered mostly a,
you are doing the bare minimum
If you answered mostly b,
you are racist.

If you have to take tests like these

- a. You probably are a racist
- b. You use the mere presence of black bodies as a defense
- c. You want a quick answer without dealing with your privilege⁷
- d. You have more work to do.

¹ If you have to ask, yes

² everyone ain't equal

³ if you can't even spell it don't say it

⁴ you say white power, i'm looking for your hood

⁵ privilege don't mean you don't have it hard,
it means you won't get followed in a store like the black boy with his hood up

⁶ I have you right where I want you.

Check the Constitution of the confederacy
where the enslaved are 3/5th of a person
and required new territories to continue slavery
and try again
