Equity and Justice Statement

The arts celebrate our state’s diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state. MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.
Land Acknowledgement Statement

We acknowledge the lands and waters now known as Maryland are the home of its first peoples: the Accohannock Indian Tribe, Assateague People’s Tribe, Cedarville Band of Piscataway Indians, Choptico Band of Indians, Lenape Tribe, Nanticoke Tribe, Nause-Waiwash Band of Indians, Piscataway Conoy Tribe, Piscataway Indian Nation, Pocomoke Indian Nation, Susquehannock Indians, Youghiogheny River Band of Shawnee, and tribes in the Chesapeake watershed who have seemingly vanished since the coming of colonialism. We acknowledge that this land is now home to other tribal peoples living here in diaspora. We acknowledge the forced removal of many from the lands and waterways that nurtured them as kin. We acknowledge the degradation that continues to be wrought on the land and waters in pursuit of resources. We acknowledge the right of the land and waterways to heal so that they can continue to provide food and medicine for all. We acknowledge that it is our collective obligation to pursue policies and practices that respect the land and waters so that our reciprocal relationship with them can be fully restored.

Grants for Organizations Overview

Purpose of program:
○ Provides operating support that strengthens and sustains Maryland’s arts infrastructure
○ In FY23, MSAC awarded nearly $17 million in GFO funding to 283 organizations across the state.

Application Deadline:
○ On Year: November 15, 2022 at 11:59pm (**technical assistance will not be available after normal business hours**)
If you are a returning applicant, you have already been accepted into the GFO program. You have been notified that you are in an “On Year” by discipline cycle or other circumstances.

If you are a new applicant, you would need to submit an Intent to Apply application (due September 15th of each year) and be accepted into the program. If you are a new organization that did not submit an Intent to Apply (or it wasn’t approved), you will not be able to submit a Full Application for FY24 funding.
On versus Off Year Cycle

GFO has a 3-year cycle by artistic discipline. During your “On Year,” your organization completes the full application process, including review by a panel, which determines your Panel Score, used to determine your funding.

During your “Off Years,” your organization completes a shorter application.

FY24: Theatre, Service, Folk/Traditional, Multi-Discipline B
FY25: Music, Literary, Visual/Media Arts
FY26: Music C, Dance, Multi-Discipline A
FY27: Theatre, Service, Folk/Traditional, Multi-Discipline B
All new organizations complete a Full Application in the year they first submit a GFO application. This application will be reviewed by a multi-disciplinary panel (unless your Discipline is in an On Year, and then you will be included in the appropriate discipline-specific panel).

If approved for FY24 funding, you will then fall into the Discipline cycle for future years.
The Review Process

The On-Year Application Process includes multiple steps (not just the written application!). The review includes:

- Initial review/score by panel of written application submitted by the organization
- Two “Extension Assignments” completed by assigned panelists
  - Artistic Activity Visit
  - In-Depth Conversation
- Application review/scoring of financials by MSAC staff
- Culminates in the Panel Meeting, where panel takes all information provided in discussion, re-submit final scores
Panelists will be assigned to complete Extension Assignments for each organization.

Each organization will have one panelist conduct an Artistic Activity Visit and one panelist conduct an In-Depth Conversation (2 different panelists).

It is up to the Panelist and the Organization to schedule these events/conversations. The Panelist will be reaching out in early February to schedule their assignments.
Artistic Activity Visit

Artistic Activity Visit - provides evidence of the written application through an interaction guided by the representatives of the organization. The experience will provide opportunities for the panelist to advocate for the great work of the organization/program.

Artistic Activity Visits may include (not limited to):

- Attendance at a performance/exhibition/event/etc
- A meeting during which artifacts (photos, video, anecdotes, data) from a recent (within 2 years) artistic experience/activity are shared
- A meeting during which the organization’s website and/or social media is collaboratively explored providing highlights of the organization’s artistic programming/activities
- A meeting with artists associated with the organization to discuss the organization’s artistic programming/activities
In-Depth Conversation

The In-Depth Conversation provides clarification of the written application by asking questions and engaging in conversation that surrounds content that could further support the work of the organization in alignment with the evaluation criteria.

This meeting can take place in-person, digitally (Zoom, Google Meet, etc.), or by phone.

It is up to the organization to determine who should take part in this. Some recommendations include: Executive/Managing Director, Artistic Director, Board President or other Board representatives, artistic personnel

GFO - Funding Formula

Total Allowable Income ×
Panel Score % (determined through the On Year application review process) ×
Cap Allocation % (determined by MSAC GFO budget and organization Tier)

= FY24 Grant Amount

Example:
$500,000 × 90% × 7% = $31,500
Grant = Allowable Income \times \text{Panel \%} \times \text{Cap Allocation \%}

\text{Cap Allocation \%} \text{s are based on budget size, with organizations divided into five budget levels.}

Tier 1: ($50K - $500K) - 15\% over 5 year transition  
Tier 2: ($500K - $1.5M) - 10\% over 5 year transition  
Tier 3: ($1.5M - $5M) - 6\% over 5 year transition  
Tier 4: ($5M - $10M) - 4.5\% over 5 year transition  
Tier 5: ($10M+) - 4\% over 5 year transition
GFO - Equitable Funding Formula - New FY24

Grant = Allowable Income x Panel % x Cap Allocation %

Grant Amount Cap:
**Year 1:** $1.4M; Year 2: $1.3M; Year 3: $1.2M; Year 4: $1.1M; Year 5: $1M

Transition Priorities (over 5 year transition in alignment with program allocation):

- Tier 1 increases at a faster rate during the 5 year transition.
- Tier 2 increases steadily over the 5 year transition.
- Tier 3 remains stable during the transition.
- Tiers 4 & 5 do not decrease at a rate greater than 1.5% annually.
