Maryland State Arts Council

Overview

The Maryland State Arts Council (MSAC) advances the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. MSAC also awards grants to individual artists and provides technical and advisory assistance to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds from an annual appropriation from the State of Maryland, grants from the National Endowment for the Arts, a federal agency. and, on occasion, contributions from private, non-governmental sources.

Authority

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Larry Hogan, Governor

Boyd K. Rutherford, Lieutenant Governor

Signe Pringle, Deputy Secretary

Thomas B. Riford, Assistant Secretary, Tourism, Film, the Arts, Marketing, and Communication

Mission and Goals

MSAC's mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC's most recent strategic plan outlines five goals:

1. Increase Participation: Broaden MSAC's constituency, providing avenues designed to increase pathways to engagement.
2. Provide Intentional Support: Embrace thoughtful and targeted approaches to serving known and yet to be known MSAC constituents.
3. Build Capacity: Work strategically to further build organizational and governance capacity to ensure that MSAC is capable of vigorously delivering on its mission.
4. Leverage Connections: Further enhance current relationships and involve additional collaborators, and constituents who will benefit from and advance the work of MSAC.
5. Bolster Maryland Arts: Showcase the high caliber, diverse and relevant work of Maryland's artists and arts organizations; their contributions to community vitality and MSAC's role as a catalyst.

Visit the About Us page at msac.org to read the full strategic plan and learn more about implementation actions.

Equity and Justice Statement

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and

modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.

The driving goals of MSAC's granting processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

Accessibility Policy

The Maryland State Arts Council (MSAC) is committed to making sure all Marylanders can access our programs and services. Everyone is welcome, and all events and activities sponsored by or operated within MSAC are fully accessible both physically and programmatically. MSAC complies with all applicable disability-related statutes and regulations and seeks to ensure meaningful participation by all Marylanders regardless of need or ability.

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review

panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Maryland Touring Grants, Maryland Touring Artist Roster, Maryland Traditions grants, and County Arts Development. Anyone wishing to serve should visit msac.org for detailed information and application forms for any open calls.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Review

Panelist Selection

MSAC utilizes a multi-disciplinary, statewide grant panel to electronically review and score applications. Panelist criteria includes diversity of location and diversity of experience.

Panelist Review

Panelists use the Public Art Across Maryland Conservation Scoring Rubric to evaluate applications. Refer to the separate FY22 PAAM Conservation Grant Rubric document for the complete scoring criteria panelists use to evaluate applications.

If multiple applications receive the same score but budget restrictions prevent all applications with that score from being funded, final selections will be based on which applications most closely align with the published strategic goals of the Maryland State Arts Council, in the determination of the MSAC staff: Increase Participation, Provide Intentional Support, Build Capacity, Leverage Connections, Bolster Maryland Arts.

Notification and Payment

Public Art Across Maryland applications received before a quarterly grant deadline will be reviewed during the review and scoring period for that quarter. Applications received after the quarterly deadline will be reviewed during the review and scoring period following the next deadline.

Applicants to the Public Art Across Maryland grant program will receive electronic notification of their grant award or denial within 6 weeks of the application deadline.

If approved, applicants will receive a formal grant agreement form to process the grant payment. Grantees receive 100% of award amount. Pending the fully executed grant agreement, the grantee will receive payment 6-8 weeks from the date of receipt of the fully executed agreement. To receive grant payments via direct deposit, please follow the instructions and complete the required forms in the Appendix.

Reporting

Final Report and Documentation

If awarded a Public Art Across Maryland , the recipient must file a final report online no more than two weeks after the end of the Fiscal Year in which the funded activity occurred (July 15).

The report contains a brief summary request as well as some data requirements of the NEA (National Endowment for the Arts). For a complete list of Final Report Requirements, please refer to the website [here](#).

Planning Grant recipients must complete the conservation planning process within 12 months from grant award notification. A final report is due within 30 days of completion of planning.

Implementation Grant recipients must complete the conservation project within 18 months of grant award notification. A final report is due within 30 days of the dedication and completion of the funded project.

The Final Report must include an ongoing maintenance plan following conservation.

Failure to submit reports may jeopardize current and/or future MSAC grants and may result in repayment of grant funds back to the State of Maryland. Before any funds are distributed, Public Art Across Maryland grantees are also required to submit any outstanding reports/requirements for any other MSAC grants they have received.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.
