Maryland State Arts Council

Overview

The Maryland State Arts Council (MSAC) advances the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. MSAC also awards grants to individual artists and provides technical and advisory assistance to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds in an annual appropriation from the State of Maryland and from grants from the National Endowment for the Arts, a federal agency. MSAC may also receive contributions from private, non-governmental sources.

Authority

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Mission and Goals

MSAC's mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC's most recent strategic plan outlines five goals:

1. Increase Participation: Broaden MSAC's constituency, providing avenues designed to increase pathways to engagement.
2. Provide Intentional Support: Embrace thoughtful and targeted approaches to serving known and yet to be known MSAC constituents.
3. Build Capacity: Work strategically to further build organizational and governance capacity to ensure that MSAC is capable of vigorously delivering on its mission.

4. Leverage Connections: Further enhance current relationships and involve additional collaborators, and constituents who will benefit from and advance the work of MSAC.
5. Bolster Maryland Arts: Showcase the high caliber, diverse and relevant work of Maryland's artists and arts organizations; their contributions to community vitality and MSAC's role as a catalyst.

Visit the About Us page at msac.org to read the full strategic plan and learn more about implementation actions.

Equity and Justice Statement

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.

The driving goals of MSAC's granting processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

Accessibility Policy

The Maryland State Arts Council (MSAC) is committed to making sure all Marylanders can access our programs and services. Everyone is welcome, and all events and activities sponsored by or operated within MSAC are fully accessible both physically and programmatically. MSAC complies with all applicable disability-related statutes and regulations and seeks to ensure meaningful participation by all Marylanders regardless of need or ability.

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Maryland Touring Grants, Maryland Touring Artist Roster, Maryland Traditions grants, and County Arts Development. Anyone wishing to serve should visit msac.org for detailed information and application forms for any open calls.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Requirements For Grant Recipients

- Must have filed a satisfactory reporting with MSAC for the most recently completed fiscal year.

- Must notify the appropriate MSAC staff person in writing if a significant change is made in any MSAC-funded program or project.

Accessibility Requirements for Grant Recipients

Grantees must ensure that any programming remains accessible to all, and if needed, conduct programs in accessible venues other than their own organization in order to meet accessibility requirements.

Grantees are required to:

1. Comply with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1991, as amended.

5. Upon request, submit documentation of operations and compliance with the above.

Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Overview

The purpose of the Special Request grant is to support the needs of arts organizations and programs that may fall outside of the eligibility of MSAC's established grant programs. The Special Request grant will increase access to and streamline the process of requesting special funds from MSAC.

Deadlines for the Special Request grant are rolling. Special Request grants will be awarded throughout the fiscal year until allocated funding is depleted. The grant period for FY22 is July 1, 2021, to June 30, 2022.

Grant Review and Evaluation Process

Special Request grant applications are reviewed as follows:

- Requests of less than \$2,000 are reviewed by MSAC staff
- Requests of between \$2,000 and \$5,000 are reviewed by MSAC staff and the Executive Committee of the council
- Requests of more than \$5,000 are reviewed by MSAC staff and the full council

Notification

Applications are reviewed for eligibility on a monthly basis and are prepared for evaluation by the staff, Executive Committee, or full council, as needed, within two months of submission. Following evaluation, applicants will be notified of application status. Successful applicants will receive a formal grant agreement form to process the grant payment. Special Request grants are paid in single disbursement at the beginning of the granting period.

Requests of more than \$5,000, which require evaluation by the full council, will be reviewed at the next scheduled meeting of the Maryland State Arts Council. The council usually meets on a bimonthly schedule but might occasionally meet on a quarterly schedule. Applicants should plan their applications around this schedule.

Reporting Requirements

If awarded a Special Request Grant, the grantee must file a final report online after the end of the Fiscal Year in which the funded activity occurred. The report solicits a summary of the completed arts activities and demographic information on those who benefitted from them, as required by the Maryland Department of Commerce and the National Endowment for the Arts, a federal funder. Failure to comply with reporting requirements might jeopardize the grantee's current or future MSAC grants, including the

repayment of previously disbursed funds. All fund disbursement is contingent on the grantee's submission of any outstanding reports or requirements connected to other MSAC grants.
