Maryland State Arts Council

Overview
The Maryland State Arts Council (MSAC) advances the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. MSAC also awards grants to individual artists and provides technical and advisory assistance to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds from an annual appropriation from the State of Maryland, grants from the National Endowment for the Arts, a federal agency, and, on occasion, contributions from private, non-governmental sources.

Authority
MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Larry Hogan, Governor
Boyd K. Rutherford, Lieutenant Governor
R. Michael Gill, Secretary
Signe Pringle, Deputy Secretary
Thomas B. Riford, Assistant Secretary
Steven Skerritt-Davis, Executive Director, MSAC

Mission and Goals
MSAC’s mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC’s most recent strategic plan outlines five goals:
1. Increase Participation: Broaden MSAC’s constituency, providing avenues designed to increase pathways to engagement.
2. Provide Intentional Support: Embrace thoughtful and targeted approaches to serving known and yet to be known MSAC constituents.
3. Build Capacity: Work strategically to further build organizational and governance capacity to ensure that MSAC is capable of vigorously delivering on its mission.
4. Leverage Connections: Further enhance current relationships and involve additional collaborators, and constituents who will benefit from and advance the work of MSAC.
5. Bolster Maryland Arts: Showcase the high caliber, diverse and relevant work of Maryland’s artists and arts organizations; their contributions to community vitality and MSAC’s role as a catalyst.

Visit the About Us page at msac.org to read the full strategic plan and learn more about implementation actions.
**Equity and Justice Statement**

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.

The driving goals of MSAC’s granting processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

**Accessibility Policy**

The Maryland State Arts Council (MSAC) is committed to making sure all Marylanders can access our programs and services. Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

• A decision based on review criteria other than those stated in these guidelines.
• A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

• The applicant must discuss the problem with the program director who handled the application.
To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.

The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

MSAC staff will approve, deny, or request more information on the proposed change based on the grantee’s capacity to undertake proposed changes and alignment with the mission of MSAC and Public Art Across Maryland program.

### Review

#### Panelist Selection
MSAC utilizes a multi-disciplinary, statewide grant panel to electronically review and score applications. Panelist criteria includes diversity of location and diversity of experience.

#### Panelist Review and Scoring
Panelists use the Public Art Across Maryland Conservation Grants Scoring Rubric to evaluate applications. Before submitting your application please review the separate FY23 PAAM Conservation Grant Rubric document for the complete scoring criteria panelists use to evaluate applications to ensure your grant meets the review criteria.

If multiple applications receive the same score but budget restrictions prevent all applications with that score from being funded, final selections will be based on which applications most closely align with the published strategic goals of the Maryland State Arts Council, in the determination of the MSAC staff: Increase Participation, Provide Intentional Support, Build Capacity, Leverage Connections, Bolster Maryland Arts.

### Notification and Payment
Applicants to the Public Art Across Maryland grant program will receive electronic notification of their grant award or denial within 8 weeks of the application deadline.

If approved, applicants will receive a formal grant agreement form to process the grant payment. Grantees receive 100% of award amount. Pending the fully executed grant agreement, the grantee will receive payment 6-8 weeks from the date of receipt of the fully executed agreement. To receive grant payments via direct deposit, please follow the instructions and complete the required forms in the Appendix.

### Reporting

#### Final Report and Documentation
All grantees must file a final report in SmartSimple within 30 days of the project completion date as listed in the Applicant’s Project Schedule.

The report contains a brief summary of the project, as well as a final budget, final photos of the conserved artwork(s), and data requirements of the NEA (National Endowment for the Arts). It is also encouraged that grantees set up a meeting with the Public Art program staff to check-in on the project at a mid-way point. Staff can provide technical assistance as projects may encounter challenges to implementation.

Planning Grant recipients must complete the conservation planning process within 12 months from grant award notification. A final report is due within 30 days of completion of planning.
Implementation Grant recipients must complete the conservation project within 18 months of grant award notification. A final report is due within 30 days of the dedication and completion of the funded project. The Final Report must include an ongoing maintenance plan following conservation.

Failure to submit reports may jeopardize current and/or future MSAC grants and may result in repayment of grant funds back to the State of Maryland. Before any funds are distributed, Public Art Across Maryland grantees are also required to submit any outstanding reports/requirements for any other MSAC grants they have received.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council’s decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.
