Program Overview

Purpose

The purpose of the Creativity Grant Program is to strengthen the vitality and sustainability of artists and small organizations to maintain a strong and stable arts infrastructure in the State of Maryland. The Creativity Grant also provides opportunities to serve the growing needs of relevant arts projects and collaborations within Maryland communities.

The Creativity Grant program provides general operating support for arts organizations or project-based support for arts organizations and independent artists.¹

Grant Cycle

Funding

The Creativity Grant Program supports eligible activities of **Independent Artists** and **Arts Organizations**, with grants up to \$4,000.

General Operating Grants (for Organizations only) are available for up to \$4,000.

Project-Implementation Grants are available for up to \$4,000.

Project-Planning & Development Grants are available for up to \$2,000.

The Creativity Grant Program for General Operating Support accepts applications from July 1, 2025 - December 31, 2025. The Creativity Grant Program for Project Support accepts applications from July 1, 2025 - March 31, 2026. Applications are panel reviewed on a monthly basis, and Creativity Grants are awarded throughout the fiscal year until allocated funding is depleted. Applicants may only be funded one Creativity Grant per fiscal year (July 1, 2025 - June 30, 2026).

Grantees of the Creativity Grant program receive funding in one payment (100% of award amount). Please note that if approved for funding, 100% of the requested amount will be funded (this program does not offer a portion/percentage of the requested amount).

Support Period

If awarded funds, grantees agree to spend or obligate all funds by: August 15, 2026 (for applications submitted between July 2025 and December 2025); or December 31, 2026 (for applications submitted between January 2026 and March 2026). Obligation means that awarded funds are expended, encumbered, or otherwise legally committed to be used, such that returning the unspent funds would cause the grantee legal harm.

Use of Funds

Creativity Grant funds may be used for expenses directly associated with the proposed eligible arts activities, including but not limited to:

- Artist payment/stipends
- Consultant fees; honoraria
- Contractual services
- Administrative expenses

Award

Notification

After application review, applicants are notified of the grant status as soon as possible. If the application is approved, the applicant will receive instructions to access a Grant Agreement Form (GAF) to review and sign electronically via SmartSimple.

The individual listed as the primary contact in the application will receive all notifications; for organizations, notifications are sent to the primary contact and any other contacts on the organization's account. Automated notifications from SmartSimple will be sent from noreply@smartsimple.com. Please adjust email notification and security settings to ensure receipt of these notifications. Check your spam folder if an application submission confirmation notification has not arrived to your inbox.

Disbursement

The disbursement process begins when the GAF is fully executed. The grantee will receive notification of full execution from SmartSimple. This notification will include a PDF copy of the fully executed GAF, which will also be accessible in the grantee's SmartSimple profile.

The grantee will receive the grant disbursement approximately six to eight weeks from the date of notification of the fully executed GAF. More information on MSAC's disbursement processing timeline can be found by [clicking here](#).

MSAC grants are generally considered taxable income. Disbursements are issued directly by the State of Maryland, not by MSAC, and no Social Security, state, or federal income taxes are withheld. Individuals receiving grant awards over \$600 will receive via mail a 1099 from the State of Maryland after the end of the calendar year in which the grant was paid. To request or access your 1099 electronically, register and login on the General Accounting Division (GAD) Online Service Center site by [clicking here](#). Specific questions regarding the taxability of your award should be directed to the IRS, the Office of the Maryland Comptroller, or your tax advisor.

Grantees are encouraged to sign up to receive disbursement via Electronic Funds Transfer (EFT). Those with existing State vendor profiles can sign up for EFT disbursements [by clicking here](#) to complete the relevant forms on the Comptroller's site. Typically, those who have previously received MSAC grants have an existing state vendor profile.

New grant recipients will receive grant funds via check made payable to the name and address indicated on the grantee's W-9. They will be able to sign up for EFT for any subsequent disbursements.

Disbursement Status

Grantees are encouraged to deposit grant checks immediately. If the grantee has not received grant funds within eight weeks of notification of a fully executed GAF, the grantee should contact MSAC to inquire about disbursement status. The grantee is responsible for following up with MSAC staff if disbursement is not received within the fiscal year in which it was awarded. If the payment was lost in transit, the State of Maryland is able to re-issue disbursement. However, MSAC is unable to guarantee that funds will be available for re-issue after the end of the fiscal year in which a grant was awarded.

If the grantee owes any Maryland State taxes or other state liabilities, GAD may intercept grant disbursements and hold them until the liability is resolved. Should this be the case, GAD will send written notice of interception directly to the grantee via mail. MSAC is not provided with further information, as it is confidential. Grantees may find more information and discuss options with the Central Collections Unit at 410.767.1642. Additionally, information on held disbursements can be found by creating an account on GAD's online service center, which can be accessed at the link [here](#).

Changes in Funded Activities

If there are significant changes to the proposed activities for which a grant has been awarded, the grantee is responsible for contacting the relevant staff; any proposed changes must be shared and approved in writing before proceeding. Staff will help ensure that any proposed changes remain in alignment with the program guidelines; however there is no guarantee that proposed changes will be approved. Any approved changes that result in timeline extensions that affect the final report deadline will be reflected in SmartSimple.

Reporting

All grantees must file a final report in SmartSimple. The report will be added to the grantee's SmartSimple profile as soon as the GAF is fully executed.

The final report deadline for Creativity program grants is August 15, 2026 OR December 31, 2026:

- Applications submitted between July 2025 and December 2025 will have a Final Report deadline of August 15, 2026.
- Applications submitted between January 2026 and March 2026 will have a Final Report deadline of December 31, 2026.

The final report form collects information about the grantee and grant activities, including optional demographic information, data for the National Endowment for the Arts, summary of activities and use of grant funds, and other program-specific information and documents, as relevant.

Grant funds may not be used to offset grantees' State liabilities; as such, grantees whose grant disbursements were intercepted by GAD due to Maryland state taxes or other state liabilities (as outlined in the Disbursements section) are not exempt from submitting required report(s). Grantees must either return the funds to MSAC or follow through with their proposed grant activities and submit report(s) accordingly.

Failure to submit reports may jeopardize current MSAC grants, eligibility for future MSAC grants, and may result in the required return of grant funds to the State of Maryland. Before any funds are distributed, grantees are also required to submit any outstanding reports or satisfy obligations for any other MSAC grants they have received.

Ineligible and Declined Applications

Applications that do not receive funding generally fall into one of two categories: ineligible or declined.

An application is marked ineligible if it is not complete or does not comply with the eligibility requirements of a particular grant program. An application can be marked ineligible at any time during the review process.

After an application is considered eligible, it may be declined for several reasons. An application may be declined due to funding allocation limitations at the time, or for the following reasons:

- Required information is incomplete or insufficient to make an award determination
- There are material inconsistencies between the application and the organization's actual operations
- There are significant operational, financial, or other circumstances that reasonably suggest the applicant is, or may become, unable to use the grant funds in alignment with the grant guidelines and agreement.

Application Feedback

Applicants may request feedback on their applications—whether ineligible, declined, or approved for funding. A link to this form will be provided in grant notification emails.

Applicants may re-apply within the same fiscal year if an application is not approved for funding. If an applicant is denied funding three times within a fiscal year, the Executive Director will determine eligibility for future submissions for the remainder of the fiscal year. It may be determined that the applicant is not eligible for submission again for the remainder of the fiscal year or that a proposal for the same project may not be eligible for submission again.

MSAC receives its funds from an annual appropriation from the State of Maryland; grants from the National Endowment for the Arts, a federal agency; and, on occasion, contributions from private, non-governmental sources.

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Wes Moore, Governor

MSAC will work with constituents to provide assistance as appropriate.

Grantmaking

Review Panels

To assist MSAC in its decision-making, Maryland residents with expertise in the arts are selected to serve on a variety of grant application review panels. The function of panels is to evaluate applications from organizations and individuals. Each year, MSAC publishes several open calls, and approximately 150 individuals serve as panelists for MSAC grant programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Presenting and Touring, Professional Development Opportunity, Folklife Network, Folklife Apprenticeships, Heritage Awards, Capacity Building, Arts Capital, and County Arts Development. In addition, MSAC occasionally releases calls for residents to serve as program editors evaluating grantmaking policies and procedures, and jurors or judges for various arts activities supported by MSAC. Anyone wishing to serve is encouraged to [click here](#) for detailed information and links to application forms for any open calls.

Constituents may also get involved with MSAC by creating a profile on the Arts Directory, an online resource for raising the profile of Maryland artists and arts organizations, by [clicking here](#); or by attending regularly scheduled virtual and in-person professional development sessions by [clicking here](#).

Appeals

MSAC strives to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial or amount of an award is not sufficient reason for an appeal. However, an application may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines
- A decision based on material provided to panelists or Councilors that was substantially incorrect, inaccurate, or incomplete, despite the applicant having provided the staff with correct, accurate, and complete application information

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application
