Program Overview

Purpose

The purpose of the Arts in Education Grant is to strengthen and promote lifelong learning in the arts. The Arts in Education Grant Program provides financial support to teaching artists on [MSAC's Teaching Artist Roster](#) to implement arts education programs in school and community settings across the state of Maryland.¹

The MSAC Teaching Artist Roster can be found within the [Maryland Arts Directory](#) and by selecting the “View the Teaching Artist Roster” filter. Another listing of the MSAC Teaching Artist Roster may be found under “Resources” on the MSAC’s [Arts in Education Grant](#) web page.

The Maryland State Arts Council (MSAC) reserves the right to revise these guidelines. This can include making policy or procedure updates, adjusting the timeline, and adding updated, new, or clarifying information.

Grant Cycle

Funding

The Arts in Education Grant supports eligible activities of MSAC Teaching Artist Roster participants, with grants up to \$6,000.

The Arts in Education Grant program accepts applications from July - December 15, 2026. Applications are panel reviewed on a bimonthly-basis between August - January 2026, with grants being awarded throughout the fiscal year until allocated funding is depleted.

If approved for funding, 100% of the requested amount will be funded; this program does not offer a portion/percentage of the requested amount. Grantees of the Arts in Education grant receive funding in one disbursement. Grant payments are made to the applying member of the MSAC Teaching Artist Roster.

Support Period

Arts in Education grant funds support activities that take place during the fiscal year (FY) in which funds are awarded. MSAC’s FY 2027 is July 1, 2026 to June 30, 2027.

Grantees agree to spend or obligate all funds by July 15, 2027. Obligation of funds means that awarded funds are expended, encumbered, or otherwise legally committed to be used, such that returning the unspent funds would cause the grantee legal harm.

Use of Funds

Grant funds may be used for:

- Expenses directly associated with the proposed eligible arts in education activities
- Artist payment/stipends
- Honoraria
- Consultant fees
- Contractual services
- Transportation costs (train, taxi, bus, etc.) or mileage (for personal vehicles)
- Per diem (for guidance on rates, please visit the GSA site for current rates: [mileage](#) and [per diem](#))

¹A resource to assist with understanding this document is the [MSAC Glossary](#), which provides an overview of terms commonly used in MSAC grant guidelines, on the website, and in other published materials.

- Hotel/lodging accommodation costs for programs further than 50 miles from an artist's residence
- Art materials directly associated with the proposed activities
- Field trip admission costs
- Software licensing for media arts and/or virtual programs.

Grant funds may not be used for:

- Space rental
- Travel outside Maryland (except Washington, D.C.) to present or produce arts
- Activities that are principally recreational, therapeutic, or rehabilitative
- Scholarships awarded by the applicant organization for its own activities
- Acquisition of capital assets
- Regranting to other individuals or entities
- Capital improvements or purchases of permanent equipment
- Activities for the exclusive benefit of an organization's members
- Contributions to any persons who hold, or are candidates for, elected office
- Contributions to any political party, organization, or action committee
- Activities in connection with any political campaign or referendum
- Lobbying activities
- Expenses for activities or projects already completed at the time of grant application
- Expenses for which the applicant was previously awarded funds through another MSAC grant program (i.e., an applicant may only be awarded MSAC funds once for any individual project expense; contact MSAC staff with questions)
- Institutional indirect costs in excess of 15 percent (15%) of the total grant amount

Application, Review, and Award

Application and Review

SmartSimple

Applications are submitted via the secure, online grants management system, SmartSimple. Log in or create a free account on the [SmartSimple registration page](#).

- Applicants are required to complete, submit, and sign applications digitally. To make an accessibility request for an alternative submission method, please contact the program director listed in the Contact Information section
- Technical support for SmartSimple is available. See contact information section.

- After submission, applicants must meet any revision deadlines as specified in writing. Failure to meet such deadlines will result in the application being considered withdrawn.
- By submitting an application to MSAC the applicant agrees to allow MSAC to retain records per state and federal document retention laws and policies. The applicant is also agreeing to the Terms and Privacy Policy of SmartSimple as applicable to MSAC

Panelist service

MSAC convenes panelists, representing a range of arts expertise statewide, to evaluate applications electronically. Panelists are selected via public application process and based on relevant experience and expertise. Opportunities to serve as panelists for various grant programs are posted throughout the year; individuals interested in panel service are encouraged to learn more and apply on MSAC's [Ways to Get Involved](#) webpage.

Application form and review criteria

The grant application is a digital form available in SmartSimple and consisting of prompts requiring dropdown menu selections, fill-in answers, and external file uploads.

Primary Contact: The MSAC Teaching Artist Roster independent artist or organization may start the online application and serve as the primary contact on the application. The primary contact will be the recipient of funds, if awarded.

Lead Artists (For Organization Applicants): Applications must specify an artist, ensemble, or organization currently on the MSAC Teaching Artist Roster. Ensembles and organizations must indicate a Lead Artist on the application. The Lead Artist is responsible for leading the arts education activities with the collaborating school or organization. The Lead Artist signature is required on the application; therefore, if the Lead Artist is not the primary contact on the application, the Artist's affiliated organization must email the AiE Program Director, Lizzie Morales at elizabeth.morales@maryland.gov, to give the Lead Artist access to the application.

Note: Teaching Artists not currently approved by MSAC may apply to the [MSAC Teaching Artist Roster](#) when the application is open for submissions.

School/Organization Coordinator: Applicants must identify a coordinator at the collaborating school or organization in each application. Coordinators are affiliated with the collaborating school or organization and are responsible for coordinating logistics and materials with the Lead Artist, if an application is funded.

The School/Organization Coordinator's responsibilities may include, but are not limited to:

- Collaborating with the selected teaching artist on the Arts in Education Grant application
- Providing evidence of the collaborating school/organization's support for the proposed arts learning program (examples include a letter of support or letter of intent, draft teaching artist contract with the school/organization, or email correspondence between the school/organization and artist) for the AiE Grant application
- Organizing and overseeing activities at the location of the proposed arts learning program
- Artist selection
- Planning/scheduling
- Ordering materials
- Communicating with the teaching artist, school/organization's administration, and AiE program director
- Working with the teaching artist to provide data for MSAC Final Reports

Please note that the School or Organization Coordinator is responsible for participants—the role of the Teaching Artist is that of a consultant and not an employee of the collaborating school or organization; therefore, the Coordinator or another employee of the collaborating school or organization must be present at all times while the Teaching Artist is working with minors (participants under the age of 18).

Collaborative Application Process: If the collaborating organization or school would like to contribute to or complete the grant application on behalf of an artist, the teaching artist will need to email the AiE Program Director, Lizzie Morales at elizabeth.morales@maryland.gov, to give collaborative editing privileges to the school or organization and their grant writers.

Application Evaluation: Evaluation is based on review criteria that correspond with the prompts in the application form. The review criteria provide guidance to panelists on rating an applicant’s response to a prompt.

Application prompts and review criteria are provided below, for reference.

Application prompt	Review criteria
1. Describe the proposed arts learning program.	10 Points The description of the proposed arts learning program is clear, specific, and thorough.
2. Describe the objectives of the proposed arts learning program. For in-school programs, include references to State standards or learning competencies.	10 Points The description of the objectives, standards, and/or competencies is clear, specific, and connected to the proposed arts learning program.
3. Describe the intended audience and how the objectives will align with the audience’s needs.	10 Points The description of the intended audience is clear and specific. The selection of the arts learning program and its objectives, standards, and/or competencies strongly align with the audience's needs.
4. What is the timeline of the proposed arts learning activities? Specify dates even if they are tentative, and include evidence of individual and collaborative planning, implementation, and follow-up/reflection with key stakeholders.	10 Points The timeline of the program is clear, specific, and realistic and includes strong evidence of individual and collaborative planning with key stakeholders.
5. Provide a budget for the arts learning program that includes the following: description of how funds will be used, list of expenses itemized by amount and category, and any non-MSAC funds.	10 Points Financial information provided is detailed, realistic, and clearly tied to the successful implementation of the proposed arts learning program.

The complete scoring rubric can be found on the [Arts in Education Grant program](#) web page.

Underrepresented Counties in Maryland: In order to demonstrate MSAC's commitment to serving all Marylanders throughout the State, applications received from underrepresented counties will be awarded one additional point (or two percentage points) on the final application score. Underrepresented counties are determined by the number of applications received during MSAC's previous fiscal year. The FY 2027 list of underrepresented counties include: Allegany, Caroline, Carroll, Cecil, Charles, Dorchester, Garrett, Harford, Kent, Somerset, St. Mary's, Talbot, and Washington.

Title I and Special Education Schools: In alignment with MSAC's [strategic plan](#) to support Marylanders with limited or no access to the arts, schools that are designated as Title I or schools that exclusively serve special education students will be awarded one additional point (or two percentage points) on the final application score.

In addition to responding to the prompts above, all applicants are required to submit a current, signed [W-9 form](#) upon application submission. The address on the W-9 form must match the address entered in SmartSimple, both on the application form and under the SmartSimple account profile. If awarded, grant funds will be made payable to the person or entity indicated on the W-9 and sent to the address listed in the form.

For grantees that are on the teaching artist roster as an independent artist, the Arts in Education grant will allow grant payments to grantees as an individual, sole proprietor, or to a single-member LLC registered in Maryland. The LLC must not have any full-time employees apart from the grantee.

In some cases, applications may receive the same score, but budget restrictions prevent all applications with that score from being funded. Final selections will then be based on which applications most closely align with the published strategic goals of the Maryland State Arts Council as determined by MSAC staff.

Applicants are required to submit a current, complete, and signed [W-9 form](#) upon application submission. The address on the W-9 form must match the address entered in SmartSimple—both on the application form and under the SmartSimple account profile. If awarded, grant funds are disbursed to the person or entity indicated on the W-9 and sent to the address listed in the form.

Award

Notification

After application review, applicants are notified of their status as soon as possible. If the application is approved, the applicant will receive instructions to access a Grant Agreement Form (GAF) to review and sign electronically via SmartSimple.

The individual listed as the primary contact in the application receives all notifications; for organizations, notifications are sent to the primary contact and any other contacts on the organization's account. Automated notifications from SmartSimple are sent from noreply@smartsimple.com. Please adjust email notification and security settings to ensure receipt of these notifications. Check your spam folder if an application submission confirmation notification does not arrive in your inbox.

Disbursement

The grant funds are provided in a disbursement, which is a distribution from a dedicated fund for the specific purposes outlined in your application. The disbursement process begins when the GAF is fully executed, meaning that both the grantee and MSAC staff have signed the agreement. The grantee receives notification when the agreement is fully executed from SmartSimple. This notification includes instructions on how to access a copy of the fully executed GAF in the grantee's SmartSimple profile.

The grantee receives the grant disbursement approximately six to eight weeks from the full execution of the GAF. More information on MSAC's disbursement processing timeline can be found on the [Payment Process](#) webpage.

MSAC grants are generally considered taxable income. Disbursements are issued directly by the State of Maryland, not by MSAC. No Social Security, state, or federal income taxes are withheld. Individuals receiving grant awards of more than \$600 will be mailed a 1099 form from the State of Maryland. This form will arrive after the end of the calendar year in which the grant was paid. To request or access your 1099 electronically, register and log in on the General Accounting Division (GAD) [Online Service Center site](#). Specific questions regarding the taxability of your award should be directed to the IRS, the Office of the Maryland Comptroller, or your tax advisor.

Grantees are encouraged to sign up to receive disbursement electronically via Electronic Funds Transfer (EFT). Those with existing state vendor profiles can sign up for EFT disbursements by completing the relevant forms on the [Comptroller's EFT for Vendors site](#). Typically, those who have previously received MSAC grants have an existing state vendor profile.

New grant recipients will receive grant funds via check made payable to the name and address indicated on the grantee's W-9. They will be able to sign up for EFT for any subsequent disbursements.

Disbursement Status

Grantees are encouraged to deposit grant checks immediately. If the grantee does not receive grant funds within eight weeks of notification of a fully executed GAF, the grantee must contact MSAC staff to inquire about disbursement status. If the disbursement was lost in transit, the State of Maryland is able to re-issue disbursement. However, the grantee must contact MSAC staff within the fiscal year in which the grant was awarded. MSAC cannot guarantee that funds will be available for re-issue after the end of the fiscal year in which a grant was awarded.

If a grantee owes any Maryland state taxes or other state liabilities, GAD may intercept grant disbursements and hold them until the liability is resolved. GAD will send written notice directly to the grantee via mail. MSAC is not provided further information, as it is confidential. Grantees can find more information and discuss options with the Central Collections Unit at (410) 767-1642. Additionally, information on held disbursements can be found by creating an account on [GAD's Online Service Center](#) site.

Changes in Funded Activities

If there are significant changes to activities for which a grant has been awarded, the grantee is responsible for contacting relevant staff. Proposed changes must be shared and approved in writing before proceeding. Staff will help ensure that any proposed changes remain in alignment with the program guidelines, however there is no guarantee that proposed changes will be approved. Any approved changes that result in timeline extensions that affect the final report deadline will be reflected in SmartSimple.

Reporting

All grantees must file a final report in SmartSimple. The report will be added to the grantee's SmartSimple profile as soon as the GAF is fully executed.

The final report deadline for Arts in Education grants is July 15, 2027.

The final report form collects information about the grantee and grant activities, including optional demographic information, data for the National Endowment for the Arts, summary of activities, use of grant funds, and other relevant program-specific information or documents.

Grant funds may not be used to offset grantees' state liabilities. Grantees whose funds were intercepted by GAD are not exempt from submitting required reports. Grantees must either return the funds to MSAC or follow through with their proposed grant activities and submit reports accordingly.

Failure to submit reports may jeopardize current MSAC grants, eligibility for future MSAC grants, and may result in the required return of grant funds. Before any funds are distributed, grantees are also required to submit any outstanding reports or satisfy obligations for any other MSAC grants received.

Ineligible and Declined Applications

Applications that do not receive funding generally fall into one of two categories: ineligible or declined.

An application is marked ineligible if it is not complete or does not comply with the eligibility requirements of a particular grant program. An application can be marked ineligible at any time during the review process.

After an application is considered eligible, it may be declined for several reasons. An application may be declined due to funding allocation limitations at the time, or for the following reasons:

- Required information is incomplete or insufficient to make an award determination
- There are material inconsistencies between the application and the organization's actual operations
- There are significant operational, financial, or other circumstances that reasonably suggest the applicant is, or may become, unable to use the grant funds in alignment with the grant guidelines and agreement

Application Feedback

Applicants may request feedback on their applications—whether ineligible or declined for funding—by submitting a feedback request form. Instructions on how to request feedback are provided in grant notification emails.

Applicants may reapply at any time during the FY 2027 funding cycle.

To carry out its mission, MSAC awards grants to nonprofit arts organizations, arts programs, and individual artists, and provides application assistance, professional development, and other resources to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds from an annual appropriation from the State of Maryland; grants from the National Endowment for the Arts, a federal agency; and, on occasion, contributions from private, non-governmental sources.

Authority

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Wes Moore, Governor
Aruna Miller, Lieutenant Governor
Harry Coker, Jr., Secretary of Commerce

MSAC's mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC's strategic plan outlines five pillars and goals:

1. Access: Bolster access to arts experiences and resources
2. Awareness: Amplify the stories of Maryland's arts sector and the value of public support
3. Connection: Foster networks within and beyond the arts sector
4. Equity: Cultivate a thriving arts ecosystem centered in equity
5. Leadership: Commit to a culture of care and innovation

Read [MSAC's full strategic plan](#) to learn more about implementation actions.

Equity and Justice Statement

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. MSAC and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, disability, class, language, and/or ability.

The driving goals of MSAC's grant processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

Accessibility

MSAC is committed to ensuring access to its programs and services. Everyone is welcome, and all events and activities sponsored by or operated within MSAC are accessible both physically and programmatically. MSAC is committed to compliance with the Americans with Disabilities Act, ensuring equal opportunity, accessibility, and non-discrimination for individuals with disabilities. Complaints

For programs or services provided by MSAC:

For inquiries related to MSAC operated programs or services, individuals may first reach out to the [Office of EEO and Fair Practices at the Department of Commerce](#) for an informal discussion. Other related inquiries may include failure of MSAC to accommodate individuals with disabilities, harassment, bullying, and failure to provide accommodations to individuals with Limited English Proficiency.

While the informal process is designed to facilitate a sincere and prompt resolution, it is not a substitution for a filed complaint of discrimination. Individuals opting to initiate a formal complaint may proceed directly to the formal process if preferred. Participants may also choose to transition from the informal process to the formal complaint process at any time.

- **For an Informal Discussion:** Contact Elaine McNeil, Director of EEO, ADA and Fair Practices at (410) 767-6470 or ofp.commerce@maryland.gov.
- **To File a Formal Complaint of Unfair and/or Unlawful Treatment with the Department of Commerce/MSAC:** See the information on [Commerce's EEO and Fair Practices Page](#) regarding the complaint procedures and submit your complaint to ofp.commerce@maryland.gov.

For programs or services that are not provided by, but are funded, by MSAC:

MSAC encourages individuals who believe they experience discrimination in programs and services provided by organizations funded by MSAC to reach out to the sponsoring organization first with their complaint. The individual may also reach out to MSAC's Accessibility Coordinator and Grants Director to inform MSAC of the complaint of discrimination. MSAC notifies organizations that receive funding through MSAC that they must comply with all applicable federal and State non-discrimination laws and regulations. Submitting a complaint with MSAC regarding an organization receiving funding from MSAC is not a replacement or a prerequisite to filing a complaint with the appropriate governmental agency or a court.

Complaints may be submitted to the following external agencies:

- Complaints against MSAC-funded organizations and programs, file with [Maryland Commission on Civil Rights](#) (MCCR)
- Complaints against arts organizations and cultural organizations receiving federal funding, filed with the [National Endowment for the Arts' Office of Civil Rights](#).
- Complaints against places of public accommodation, such as private cultural organizations, may be filed with the [Department of Justice](#).

Participation in a complaint process is protected from retaliation under all circumstances, and MSAC complies with all applicable federal and State laws prohibiting retaliation against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

Grantmaking

Review Panels

To assist MSAC in its decision-making, Maryland residents with expertise in the arts are selected to serve on a variety of grant application review panels. The function of panels is to evaluate applications from organizations and individuals. Each year, MSAC publishes several open calls, and approximately 150 individuals serve as panelists for MSAC grant programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Presenting and Touring, Professional Development Opportunity, Folklife Network, Folklife Apprenticeships, Heritage Awards, Capacity Building, Arts Capital, and County Arts Development. In addition, MSAC occasionally releases calls for residents to serve as program editors evaluating grantmaking policies and procedures, and jurors or judges for various arts activities supported by MSAC. Anyone wishing to serve is encouraged to visit MSAC's [Ways to Get Involved](#) webpage for detailed information and links to application forms for any open calls.

Constituents may also get involved with MSAC by creating a profile on the [Arts Directory](#), an online resource for raising the profile of Maryland artists and arts organizations; or by attending regularly scheduled virtual and in-person professional development sessions posted on [MSAC's Eventbrite page](#).

Appeals

MSAC strives to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial or amount of an award is not sufficient reason for an appeal. However, an application may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines
- A decision based on material provided to panelists or Councilors that was substantially incorrect, inaccurate, or incomplete, despite the applicant having provided the staff with correct, accurate, and complete application information

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial notification; the letter should (1) request a reconsideration of the decision, (2) state the grounds for the request, and (3) certify that the applicant first discussed the problem with the program director and provide the date and time the discussion occurred

The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Grantee requirements

All MSAC grantees must:

- Comply with Title VI, Section 601, of the Civil Rights Act of 1964, which states that no persons, on the grounds of race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts
- Comply with Title IX, Section 1681 et seq. of the Education Amendments of 1972
- Comply with the Age Discrimination Act of 1975, Section 6101-6107

- Comply with relevant State and federal laws
- Maintain complete and accurate records of all activities connected with the grant
- Give credit to MSAC in accordance with published [recognition guidelines](#), whenever and wherever credit is being given
- Notify the appropriate MSAC staff person in writing if a significant change is made in any MSAC-funded program or project

In addition to the requirements above, all MSAC grantees must ensure that any programming remains accessible to all and, if needed, conduct programs in accessible venues other than their own organization in order to meet accessibility requirements. Grantees are required to:

- Comply with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1991, as amended
- Prohibit discrimination on the basis of: (a) political or religious opinion or affiliation, marital status, race, color, creed, sexual orientation, or national origin; of (b) gender expression, sex, or age, except when age or sex constitute a bona fide occupational qualification; or (c) the physical or mental disability of a qualified individual with a disability
- Designate an Accessibility Point of Contact to ensure compliance, receive accommodation requests, and document grievances, as well as publish direct contact information for the Point of Contact to the public
- Create and publicly share a grievance procedure to allow stakeholders to address any events or programs that are inaccessible
- Upon request, submit documentation of operations and compliance with the above

Disclosure of personal information
