Selected Artist Related Projects\*:

**Eckington School:** A group of artists renovated a historic DC School into studio/livable units.

**The Mohawk:** A group of artists renovated a historic apartment building into 9 studio/livable units.

**Kings Ct Art Studios:** A group of artists turned an abandoned warehouse into 6 large art studios.

**Blagden Alley Arts Warehouse:** With a partner, renovated large historic warehouse into multi-use art space.

This two level giant art space was the host of a variety of legendary arts related projects.

\*Each of these projects were organized and created by a unique group of DC artists. These projects are currently still in use as designed for artists.
