BS in Information Science, BA in Studio Arts

May 2021

Relevant Courses: Information User Needs and Assessment, User-Centered Design, Dynamic Web Applications, Object-Oriented Programming, Database Design, Organizations, Management and Teamwork

EXPERIENCE

ARTbyTENDE, LLC— *Owner*

Aug 2020 - PRESENT

- Create various artworks that focus on Black women and their experiences that uphold Afro-Unity
- Design and produce products to ship for customers.
- Market and promote the brand through social media, SEO, and networking.
- Engage and communicate with clients to build a strong relationship.

Maryland Mentor Corps— *Team Leader*

Aug 2016 - May 2021

- Mentor first and second-grade students, at Title 1 Prince George County Public Elementary Schools, in reading and math to promote literacy and close the educational gap.
- Manage a team of 5 mentors throughout the semester.
- Construct lesson plans according to each student.
- Facilitate weekly reflection with my team and fellow team leaders during meetings.
