## ABOUT:

Successful artist and instructor with more than 10 years of professional experience. Seeking a career change to a position involving my passion for art and art history. Creative and innovative fast learner who has experiences working with a wide range of student bodies from gifted students to at risk students at a Title I school, which has provided me with a wide range of tools to be able to succeed in all situations.

### **Summer 2018- Current: Bluford Drew Jemison S.T.E.M. Academy**

- Created first art program at this school.
- Create and implement effective lesson plans that incorporate differentiated instruction/ accommodations for all learners
- Planned and conducted hands-on activities to provide students with opportunities to observe, question and investigate
- Assess and monitor student learning and progress.
- Utilizing data to adjust instruction.
- Established positive relationships with students, parents, colleagues and administrators
- Integrated technology in our activities including g-suites
- Worked with colleagues to create and implement cross-curricular lesson plans as well as assist with technology needs
- Fund Raising for materials

### **Summer 2015- Spring 2018: Director, Bright Minds Youth Development**

- Organize and implement a summer camp designed to reinforce positive learning and social experiences throughout the summer.
- Manage camp counselors and instructors and facilitate a positive working environment.
- Develop a schedule around character building and learning.
- Maintain positive relationships with and provide customer service for parents.
- Maintain supplies/ equipment for all activities/ resources for learning
- Budgetting
- Organize fieldtrips: makes travel arrangements; creates travel budgets, arrangements, and expense reports.
- Maintain records/ files
