

I. Silt

Shifting

Delta

Impermanence carving permanent change. A result eternally evident.

Remnants chipped, stuck within.

A bullet shattered in the cavity. Lodged decades after the white flags are waved. Broken apart. Left in fractures teetering dangerously close to a big fat pulsating artery.

II. Picked You Up Just to Put You Down

to climb. To giggle.

Gurgling springs of joy.

A culmination of painted screws bolstering 2nd hand 2x4s and midweight aluminum piping.

Well loved in its simplicity

III .Spare Parts

An old cardboard box kept high up on a shelf.

Slowly over the years Filled to the brim with best intentions.

Give me your extras, your spares, The unwanted.

and perhaps 1 day the mismatched, No purpose pieces could combine to form
something beautiful; Purposeful.

no longer a Hodge podge of leftovers, a cardboard box filled with Sundry junk.

if it doesn't sell at the yard sale, it's going to the landfill.
