

# SYNAE

## about me

Synae (She/They) released her first EP, "Wild World," (2020) inspired by Nintendo's Animal Crossing, which brought them international attention. In 2022 with the release of "Game Over," Synae reached 30k monthly listeners on Spotify. They have over 44 million views from YouTube content creators who've featured her music (licensed through Thematic.) Since 2021, Synae has been performing all over the DMV area. Opening for acts including Tora, Myylo, Sneaks, Charlotte x Bolis, Pierre Kwenders, and more.

Singer x Writer x Producer
